

14 Violent Incidents During the Los Angeles ICE Protests

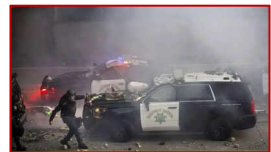

On June 7, 2025, the Los Angeles Police Department (LAPD) issued a statement claiming that **Los Angeles protests against ICE (Immigration and Customs Enforcement) raids were peaceful, commending responsible first Amendment exercise.**

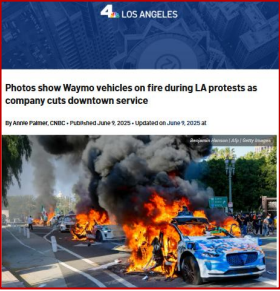

But

A number of reports of violence, including **clashes, thrown objects, injured officers, freeway blockages, vandalism, vehicle burning vehicles** and **police use of tear gas** contradict this.

This report compiles **14 incidents of violence** that occurred during protests against U.S. Immigration and Customs Enforcement (ICE) across various locations, from **June 7 to June 10, 2025.**
